

# Volunteer Educators

Enable volunteer educators to make a difference in a woman's life.

## Recruit

Help recruit a volunteer educator.

**\$50**

Many people in the community would like to volunteer to help another woman learn English. Your gift will help us connect with them through increased community outreach.

## Training

Help train a new volunteer educator.

**\$100**

Imagine wanting to help another woman learn English, but not having a teaching background. With IRWP's training and curriculum, dedicated and caring individuals can become volunteer educators.

## Materials

Help supply lesson plans, books, and supplies for a volunteer educator.

**\$75**

IRWP lesson plans are produced in-house and other items are purchased from the best sources to maintain lower expenses. Your gift will provide all needed materials for new volunteers and for others advancing to the next level with their student.

## On-going Support

Help provide on-going support for a volunteer.

**\$50**

As volunteers and their students progress through new concepts and skills, additional support allows them to effectively teach their students. Your gift will allow volunteers to receive all of the assistance they need to help their students be successful.

## Transportation

Help a volunteer drive to a student's home or take her student on a field trip into the community.

**\$25**

Some volunteers are able to give their time, but also live on limited incomes. Your gift can alleviate the financial strain on a volunteer driving to her student's home twice a week.
